DIPLOMA in INDIAN HEAD MASSAGE
another skill – another tool for your toolkit!

Thank you for your interest in the Scottish Massage Schools' Indian Head Massage Diploma course. We are now running this course in Aberdeen, Edinburgh, Falkirk, Inverness, and the Borders.

The advantage of Indian Head massage is that it is performed with a client fully clothed. This has proved popular in many workplaces, shopping malls, airports and sports areas. Indeed, it has yet to reach its potential in this country. The routine we teach can be adapted so the client can be treated in the sitting, prone or supine positions.

The course tutors all use Indian Head Massage in their businesses so will be discussing the dynamics of marketing this great product.

As a knowledge and understanding of anatomy, physiology, pathology, practice management and physical therapy is required, this course is only available to graduates of a Swedish Massage or similar course. If you wish details of our Swedish Massage feeder course, please ask.

The Indian Head Massage course consists of 4 days over 2 weekends and the cost of the course is £350 (made up of a registration fee of £150, with the balance due at the beginning of the course).

We will send you details of the venue when we receive your registration. The dates are as follows:

Aberdeen: **14th/15th April** and **12th/13th May 2012**
Perth: **7th/8th July** and **11th/12th Aug 2012**
Edinburgh: **13th/14th Oct** and **10th/11th Nov 2012**

If you wish to reserve a place on this course then please fill in and send the registration form on the brochure, noting the preferred venue. Places will be allocated on a first come first served basis. More information will be sent to you when you register.

Case studies and homework will also be part of the course and a final written and practical assessment will have to be completed and passed before a Diploma is awarded.

We look forward to hearing from you and if you have any queries, do get in touch.

Yours sincerely

Lorna Forrester
